

Notes for Airport Advisory Board

May 8, 2017 @ 6:00 - 7:00 pm

- **Roll Call**-David Clapp, Donny Grimm, Steve Wendling, Daniel Harris, Josh Thompson
- **Comments From Visitors**-No Visitors
- **Report from Regional Airport Representative**-No Representative
- **Report from Kingdom Pilot's Association (KPA)**
 - **KPA's Breakfast fly-in**-still scheduled to be 20th of May and we have the City Council on board and approved of the Fly-In. The Callaway Cruisers said they would be there, according to Steve but did not email the tractor folks. In addition, Steve stated that there would be someone there with a band and would do some signing.
- **Report from City Engineer** – Josh Thompson (Representative)
 - **Budget Comparison**-I did not have the financial report but I did mention some of the projects that are going on like the radio and the building. In addition, I talked about the fuel prices which were: 496.72 gals, \$1,879.02 in Feb.; 941.58 gals, \$3,540.34 in March; 1,080.39 gals, \$4,062.26 in April.
 - **Runway 06-24 Rehabilitation Project**-I did state that the project is nearly done but it is usable and has been usable for some time now. But the PAPIs need to be certified by the FAA, which will be this coming Thursday.
- **Report from Airport Manager** – Daniel Harris
 - Daniel talked about the smaller projects currently being worked on at the terminal like the rehab. of the terminal inside and outside which is finishing up. It was mentioned that 18-36 needs to be painted and Daniel said that he may need to power wash it. Plus the compass rose needs to be painted stated by Daniel and asked who painted that which was an organization. And Donny asked if Daniel can cut down the trees between the two runways in the ditch. Plus Daniel mentioned that the wind sock is down but it is not a top priority by the electric dept. Daniel then finished his report by saying that the fuel pumps have not been replaced. David then asked about the radar tower and if that was still being rented by news company. And Donny asked if we can get a list of places that will lease a car in Fulton.
- **Old Business**
 - Ideas for Events to promote Aircrafts-no new ideas
 - Corrections to Advisory Board sheet.-It was stated that we need to add Steve Wendling
- **New Business**-No new business
- **Adjournment**-Next meeting is scheduled to be Aug. 14, 2017
