### Report from City Engineer – Josh Thompson (Representative)

Josh Thompson stated about the budget and where we stand with the making and spending money. Then a few questions were asked about the budget itself, then asked if a budget summery from Kathy Holschlag in Finance. Then talked about the runway project about to start in about a week and what all will be done to the runway. Next, Josh Thompson proposed the idea of a plane and car show with food vendor and all

present members agree that would be nice. Plus, there was a discussion about having a band there as well.

### **Report from Airport Manager – Daniel Harris**

Daniel Harris reported about the condition of the airport itself and some remodeling that is being done. Then Daniel was asked to make a new recording with what we do have first in the message. Plus, Wayne Chailland asked Daniel to get a quote for tile and ceramic tile. Daniel asked if he could get some business cards for when people flew in and at other times at a conference. Then Wayne stated that he should get some business cards.

### **Old Business**

Nick Prinster talked about the KPA's Pancake fly-in and how that went. First, he thanked the city for providing a hanger to host the fly-in at. Then he stated that there were only 200 people served and 1 plane fly-in from Kansas City. There was bad information given to the advising people about when the Fly-in was.

### **New Business**

Josh Thompson asked if there were any new ideas for events to promote aircrafts and no one had any other ideas besides the plane and car show. Then Josh asked if a facebook page would be something good to have and someone stated that the airport should have one. The idea of having a courtesy car was brought up and quickly mentioned that Bill would be allow that. Lastly, Josh asked about a wildlife program and if that would benefit the airport. Then a discussion about the details about the wildlife program, after the discussion all present members stated that would be a good idea.
