- **Report from Regional Airport Representative**-No Representative
- **Report from Kingdom Pilot's Association (KPA)**
 - **No Report given**
- **Report from City Engineer** – Josh Thompson (Representative)
 - **Budget Comparison**-I did not have the financial report but I did get a six month report from Kyle that shows how we are doing. In addition, I talked about the fuel prices which were: 1,708.47 gals, \$6,423.84 in May; 1,261.39 gals, \$4,742.82 in June; 3,427.83 gals, \$12,888.64 in July; 1,936 gals, \$7,249.53 in August.
 - **Runway 06-24 Rehabilitation Project**-I stated that we will be checking the project one last time before we give the contractor the final payment.
 - **Projects**-I informed the others of what projects we currently have going on like the fuel pumps which will be going in and the cameras. What each project is going to be and the details of each one of those two projects. In addition, someone mentioned adding a motor to the gate in order to make it an automatic and everyone agreed.
- **Report from Airport Manager** – Daniel Harris
 - Daniel asked about making the system of how he gets stuff, a little bit better by giving it to Trish at the warehouse. In addition, Daniel mentioned that his email is still not working right.
- **Old Business**
 - **No business mentioned**
- **New Business**-No new business
- **Adjournment**-Next meeting is scheduled to be Nov. 13, 2017 and there may not be a rescheduled meeting due to the holidays.
