

Fulton Festival of Lights

The City of Fulton will be lighting the 3rd Annual Fulton Festival of Lights December 1st, 2016, at 5:30pm. Last year, the Wish Tree was frequented by nearly 1,000 people, and we hope to double that number this year. We are giving the community an opportunity to be involved in the lighting festival by donating LED lights, a lighted feature, or making a monetary donation. This will be a great way to get your business/organization some exposure while brightening the holidays and community.

Attached below is a sponsorship form that details our donation levels as well as some picture examples of lighted features that can be purchased. Our goal is to have a lighted display throughout all of Veteran's Park. We look forward to creating a community tradition for all of Fulton to enjoy!

Yes! I/we would like to participate: (Check all that apply)

GOLD: \$5,000+ Gold Sponsorship will provide individual/company with signage at lighting location, advertisement in Fulton Parks and Recreation Program Guide, and two activity sponsorships of their choosing.
