

Notes for Airport Advisory Board

December 4, 2017 @ 6:00 pm-6:45pm

Executive Conference Room, Fulton City Hall

- Roll Call-Josh Thompson, David Hollabaugh (late), Nick Prinster (late), Dave Clapp, Donnie Grimm, Absent-Jim Nurrenbern, Daniel Harris
- Comments From Visitors-Michelle Maupin and Zach Freeze
- Report from Kingdom Pilot's Association (KPA)
 - KPA did inform us that they did spend money for a couch and love seat. Also let us know about the process on the compass rose, which will be painted in the spring.
- Report from City Engineer – Josh Thompson (Representative)
 - Hanger-Josh informed that old hangers were torn down and should be cleaned up soon. As well as the fact that there is no hangers available with 3 people on the waiting list.
 - Finance Report-We received a copy of a finance report that shows us where we are for the year. And found out about the gas which was 2,118.06 gals, \$7,724.04 in August; 1,605.99 gals, \$5,974.28 in September; 1,372.34 gals, \$5,105.10 in October; no report for November.
 - Airport Projects-The Major project is done but we will be receiving as-built drawings for future projects.
 - Projects-The Building and Ground guys will be fixing the roof and purins starting in the spring due to time and weather. And Josh stated he would like to start fixing the ditches that hold water sometime next year to help with the wildlife. The city had a fuel pump installed in November is working but Josh informed us that it is a possibly that the card reader will malfunction sometime in the future. And someone mentioned a time not long ago about someone who had problems.
- Report from Airport Manager – Daniel Harris
 - Throwing Out Items must stop
- Old Business-No business discussed
- New Business
 - Trash Can by the fuel pump is needed. As well as the Red light on the power line farthest from the road is out. But so are the light on the aluminum pole and the light facing the main gate. It was discussed that the terminal should be cleaner like the coffee maker and sorting the old magazines more often. But someone mentioned that the back door is broken and should be fixed due to the flopping around in the wind.
- Adjournment
