- Report from Kingdom Pilot's Association (KPA)
 - David H talked about the pancake fly-in, the association made over \$1000 and gave away 3 scholarships to 3 high school students. David expressed his appreciation for the mowing that occurred prior to the event. Also talked about Oshkosh in July and said it would be best to have fuel tanks near full for planes on their way to the event. Next, David asked about the sign in front of the Airport, which was damaged by high winds and Kyle said that the sign makers have the design but just waiting for stronger material. The association asked about the barrels of fuel and when that would be taken away. Daniel informed everyone that it was due to the original ticket was not finished and now it has, the other company should pick it up soon.
- Report from City Engineer - Kyle Bruemmer
 - Finance Report was presented and also was scheduled to be presented to the city council; it shows the revenue and expenses for the airport since 2004.
 - Fuel is now working and talked about what all was done to get the fuel system to start working. Additionally, since the fuel system was down, there were no fuel sales.
- Report from Technician – Josh Thompson (Representative)
 - Kyle indicated that the hangar project would be presented with new information to hopefully gather council support in order to approve the grant funds.
 - Kyle said that the hay was bid out and awarded.
 - David H asked about the courtesy car and Kyle informed that the council is looking at Courtesy Car and what possible benefits.
- Report from Airport Manager – Daniel Harris
 - Daniel talked about where we are with the lights like with the REILs that were not working as well as they should be.
