REPORT FROM KINGDOM PILOTS ASSOCIATION

Pancake Fly-In fund raiser scheduled tentatively for September 19th will be discussed at next KPA meeting. KPA awarded 3 scholarships with JC flying service kicking in an additional \$200 if lessons are taken at Jeff City. Students are actively pursuing their licenses. Officers were elected recently for KPA. Johnathon Adams is the President, Steve Wendling is Vice President, Susan Hayes is Secretary and David Hollabaugh is Treasurer. Reminders for Josh to check NOTAMS.

REPORT FROM CITY ENGINEER'S OFFICE

- PAPI Light Project Update:** The PAPI on 18-36 have been problematic. We have ordered a new circuit board and new radio to fix the sensitivity issue.
- Hangar Project Update:** City of Fulton will be handling the construction management of the job. Verslues Construction said tentatively we will see some work late August or early September. The engineered steel building is scheduled to arrive mid-October.
- Hangar WiFi:** The City has determined this to be project will not be pursued.
- Personnel Changes:** Josh Thompson will be the Airport Manager.
- Open Discussion:** Budget was discussed.... We are a little behind last year in revenue. Possibly due to Osh Kosh cancelling their event and the lack of travelling pilots purchasing fuel to and from the event.

REPORT FROM AIRPORT MANAGER

- Safety and Maintenance Items:** We have been diligently working to repair our light issues.
- Fuel:** Fuel tank has 9100 gallons of Low Lead 100.
