CONSENT AGENDA

The Consent Agenda is a meeting method used by many City Councils to make meetings more efficient and meaningful to the members of the audience. The City Council voted to begin using the Consent Agenda on March 28, 2017. All matters listed within the Consent Agenda have been distributed to each member of the City Council for reading and study, are considered to be routine, and will be enacted by one motion of the City Council with no separate discussion. If separate discussion is desired on an item, that item may be removed from the Consent Agenda and placed on the Regular Agenda by request of a member of the City Council.
